

# New York Hotel Room for You

## Hotel Reservation Process Begins

Frank Sinatra's hit song about the "city that never sleeps" makes us think philatelists will want to sing, too: Keep spreading the news, start planning today, You'll want to be part of it, NY 2016!

American Philatelic Society members have an exciting chance to be part of it starting May 28 when World Stamp Show-NY 2016 opens in the very heart of it in the Big Apple.

The organizing committee of World Stamp Show-NY 2016 has met regularly over the past decade to make sure the show will become the most successful international philatelic exhibition in U.S. history. We are eager to welcome and greet every member of the APS.

The committee was most fortunate to secure the world famous Marriott Marquis Hotel at Times Square as the convention hotel. Our rate for a deluxe room at the Marriott is \$279 per night. While this is a fabulous rate for this New York City hotel, which many APS members will enjoy, we realize there are also many APS members used to coming to StampShow every summer and paying about half of that rate. We wanted to be sure to accommodate everyone with a comfortable hotel and a room rate matching his or her budget.

To achieve this, we hired Experient to be the official housing provider for the show. Over the past 18 months, Experient and the organizing committee have worked diligently with New York City hotels to establish convenient room blocks.

To access all of these rooms, and make your reservation online, visit [www.ny2016.org](http://www.ny2016.org), hover over "Show Information" along the horizontal menu bar, and click the "Travel/Hotels" link. More than 15,000 rooms are available.

We are happy to note that all of the properties for which we have secured these unique convention rates are all rated 3 to 4.5 stars. Rates begin at \$99 per night and run as high as \$359 for the Waldorf-Astoria. We have secured hotel rooms for every

part of our worldwide philatelic family to come and comfortably enjoy the show.

Be sure to browse the links of the hotels that interest you the most and check out the amenities. The reservations website lists the distance from Javits Center, and all of the Manhattan properties have easy access to Javits via the No. 7 train, which stops across the street from Javits Center, and the M-34 bus that stops at the Javits Center. Both offer easy connections to the rest of the massive NYC transportation system.

There are a number of properties listed across the Hudson River, in New Jersey, which many APS members asked us to include. They are just minutes away from Manhattan, mainly by bus or train, but some by ferry, and others by jitney. We have checked to make sure that all of these New Jersey properties have convenient public transportation.

All of the hotels we are offering have guaranteed no-fee cancellation privileges, ranging from a maximum of 48 hours to a minimum of 24 hours depending on the property. Please also note that reservations made through unaffiliated websites may appear to be for lower rates, however, they cannot be guaranteed for the promised rates and facilities as are the rooms reserved via the WSS-NY 2016 website.

If you have any questions for hotels, contact Experient at 800-967-8852, 847-996-5832 (international residents), or e-mail [worldstamp@experientinc.com](mailto:worldstamp@experientinc.com) and reference World Stamp Show-NY 2016.

We hope you will come in early and stay late to explore all New York City has to offer.
