In Celebration of Stamps!

ONCE A DECADE, the United States is host to a World Stamp Show – an 8-day celebration with dealers, exhibits, seminars, first day ceremonies, world-class auctions and much more! This time, it's in New York City – carrying on a rich tradition started in 1913, when the "Big Apple" hosted America's first international philatelic exhibition.

We welcome any suggestions, questions and feedback here, or on our website at www. ny2016.org.
