Hugh Wood is a lifelong philatelist, avid collector, and a continuing supporter for the development and expansion of philately. Currently, he is a fellow of the Royal Philatelic Society, London, a lifetime member of the APS, and a member of a number of other societies.

At the outstanding 2006 Washington World Philatelic Exhibition, he exhibited rarities from Jamaica in the Court of Honor. Most recently, at the World Stamp Expo in Melbourne Australia, he was asked to show the rarest Australian item from his collection. Hugh has also exhibited collections of British Post Offices Abroad, British Europe, and pre-stamp Canada.

As the founder of an international insurance broker, he

has designed a program specifically for philatelists, which is now available to collectors and dealers globally. Hugh Wood Inc. has been the official insurance broker for APS members since 1997 and Hugh has been handling the insurance for major international philatelic events since London 1980.

The 2016 World Stamp Show will be a truly special event, as it will once again bring together the finest philatelists and collections from around the world. This will undoubtedly be a major benefit for the hobby. Helping to sponsor this landmark exhibition and contributing to its success is a privilege and a pleasure.
