Entertainment and Social Chair

I was drawn into the philatelic community by my late husband, Harvey Mirsky. I have continued in the hobby, more fully, by collecting and exhibiting on my own; showing transatlantic postal history internationally in Bruges and Berlin and competitively at the Collectors' Club and most recently at NOJEX.

It is an honor to be a member of the Collectors' Club of New York, The Royal Philatelic Society and the Club de Monte Carlo.

My profession was interior design and successfully had my own business for over 20 years in New York City, where I proudly reside.
