### **WSS-NY 2016 Hotel Rooms Hot Sellers**

After just a few weeks of availability, three hotel properties are nearly sold out of rooms reserved for visitors to World Stamp Show-NY 2016, taking place May 28-June 3 at the Javits Center in New York City.

Weekly hotel room updates continue to be sent to the show's Executive Committee by Experient, the hotel consolidator. A total of 27 properties in New York City and nearby New Jersey were selected offering discounts to show-goers covering roughly 15,000 room nights over the show's 8 day run.

Wade Saadi, WSS-NY 2016's President, explained further.

"Hearing that three hotels already are booked 89%, 93% and 94% more than six months before the show opens sends a strong signal that we have a lot of collectors and their families anxious for our doors to open and take advantage of the great deals. Room reservations will only accelerate in the next month as hundreds of exhibitors around the world learn that their entries have been accepted to take part in the competition."

Experient additionally expressed their pleasure in the brisk reservation rate for the other hotels and encourages anyone planning to attend to make their selection as soon as possible to avoid disappointment.

A link to the reservations page can be found on the World Stamp Show-NY 2016 home page at <http://www.ny2016.org>. A credit card guarantee is all that is needed to hold a room, with payment not due until arrival in May or June.
